Profile

React Developer with hands-on experience in building responsive E-commerce web applications using React.js, Firebase, and Tailwind CSS. Strong understanding of reusable components, frontend architecture, and full-stack fundamentals with Python and SQL.

Technical Skills

Languages: JavaScript, Python

Frontend: React.js, HTML, CSS, Tailwind CSS

Database: Firebase, SQL (Oracle)

Tools: Git, VS Code

Project

E-Commerce Web Application

Tech: React.js, Firebase, Tailwind CSS

- Developed a responsive online shopping platform with dynamic product listings and category filtering.
- Implemented user authentication and real-time database management using Firebase.
- Built shopping cart and order management features using React Hooks.
- Designed modern, mobile-friendly UI using Tailwind CSS and optimized performance.

Experience

React Developer Intern

Oct 2025 – Feb 2026

Qtechx Solution, Tirupattur

- Developed and maintained E-commerce web applications using React.js and Tailwind CSS.
- Integrated Firebase for authentication and real-time database operations.
- Created reusable components and improved UI performance and responsiveness.

Python Full Stack Development Intern

Feb 2025 – Oct 2025

QSpiders, Chennai

- Gained hands-on experience in Python (OOP, file handling, exception handling) and SQL (queries, joins, normalization).
- Developed responsive frontend interfaces using HTML, CSS, and JavaScript.
- Worked on backend integration and understood complete full-stack development workflow.

Education

B.E Computer Science Engineering

2021 – 2025

Shreenivasa Engineering College, Dharmapuri

CGPA: 7.83

HSC – Government Higher Secondary School, Krishnagiri

2021

82.6%
